## DEDICATION

“Instit 1848—Reconstit 1867.” The words inscribed in the college are descriptive of Muhlenberg—“Founded 1848—Refounded 1867.”

Originally the Allentown Seminary and Academy, the small Allentown college was named in the honor of Henry Melchior Muhlenberg, the Lutheran patriarch. From its small downtown location, the college has expanded. Today there are twenty-seven buildings on the seventy-five acre campus. It is just one hundred years after the re-founding of Muhlenberg College.

Long after we have left the campus, a part of Muhlenberg College will remain with us. It is perhaps, at first a tangible reminder of the college which will remain. Some notebooks, an alma mater, a memory of the lovely blossoms which announce spring to the campus—these may at first be most vivid in our memories.

Later it will become the spirit of Muhlenberg which will predominate in our reminiscences. The ideas which are Muhlenberg, the unremitting forces of Muhlenberg forced us to become involved in life and people.

All too often the pattern of our daily life at Muhlenberg has been merely accepted as an automated existence. Study, eat, study. These comprise much of our four years. We shuffle slowly between the library and the classroom, hoping the professor will be more than ten minutes late. Often we fail to see the beauty which is the Muhlenberg campus. We miss the personality of the campus. We miss the people who make the buildings more than cold, stark upcroppings against the grayed winter skies.

To know Muhlenberg you must look for it and you must look at it. You must be able to see the blending of the personalities of the students as they confront one another in their classrooms; you must place these in their context which is Muhlenberg College. All of these things make Muhlenberg what it is to each of us.

Indeed, after we have passed from the campus we will have come to realize much about ourselves and about life. We have grown at Muhlenberg. In only four years we have come to realize where we stand with the world. We have been able to find our place in the future because we have learned. It is to Muhlenberg College that this book is dedicated.

**SPORTS**

The 1966-67 Muhlenberg College Athletic Program had its share of good and bad bounces, but anyone who has been following sports closely will have to acknowledge that a wise decision was made a few years ago. Not enjoying the immediate success expected of it, the athletic program, coaches, and participants have taken the full brunt of the attack.

This year, however, we have seen a resurgence in not only the football team, but also the splendid success of both the basketball and baseball teams. The reason for the success was the students. Hard work by everyone interested has brought to Muhlenberg able athletes whose academic standing is not below par. Men such as Mark Hastie, Mickey Miller, and Ned Rahn have contributed and will continue to contribute to Muhlenberg, not purely in the field of athletics but also in the instilling of a new pride in Muhlenberg.

This year we have noted the successes of the aforementioned teams and the failures of some of the others. These failures we can explain in two words—no support. No longer is it necessary for Mule teams to go without a victory for an entire season if solid support is offered by the students.

This year we have lost two of the finest young coaches in the East—Charles Kuntzleman and Lee Hill. Their presence will surely be missed. But as they are fully aware of—a coach can only do as much as his team wants to do. It is time we started doing something.

On October 8, 1966, Johnson's proposal for the reduction of armed forces in Europe was approved, Baltimore won its third game of the series by a 1-0 score, the discovery of another Rubens painting was announced, and Muhlenberg captured the first of its two football victories of the season.

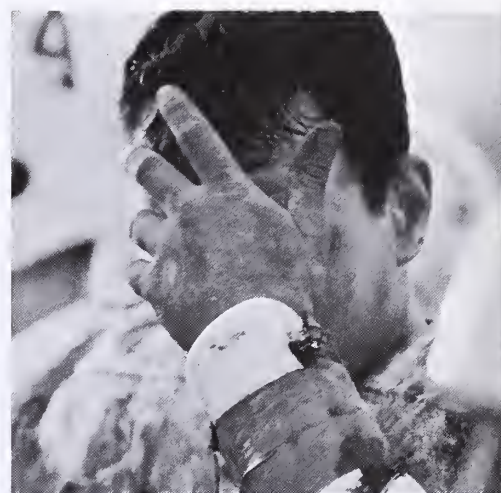

But that was on October 8. Living up to all expectations, the gridmen began the season with a 26-6 loss to Upsala. The game quickly exposed what were obviously

## FOOTBALL

Muhlenberg's major problem—lack of size and experience. Consequently, the most important problem was a lack of points.

The squad quickly slipped to the nadir of their season, tying Ursinus 0-0. This left the college community in a state of shock. All wondered if 'Berg would win a game.

Fortunately, the news of our limitations reached P.M.C. and the Cadets came to Allentown with the game "already won." Displaying their finest efforts, "Whispell's Wunderkinds," backed by an overflowing Epsy Day crowd, tallied a season's high of 28 points while playing the most notable game of the year.

Yet with this victory came numerous injuries. Added to our lack of size and experience these became a factor in our successive losses to Lebanon Valley, Dickinson, Swarthmore, and Lycoming.

Finally displaying the individual talent which it was billed as having, the team got back on the winning track with a 10-7 victory over F. & M. Kerry Geisinger led the individual efforts with a 40 yard, intercepted pass for the touchdown. Then Lee Berry kicked the first 'Berg field goal in six years.

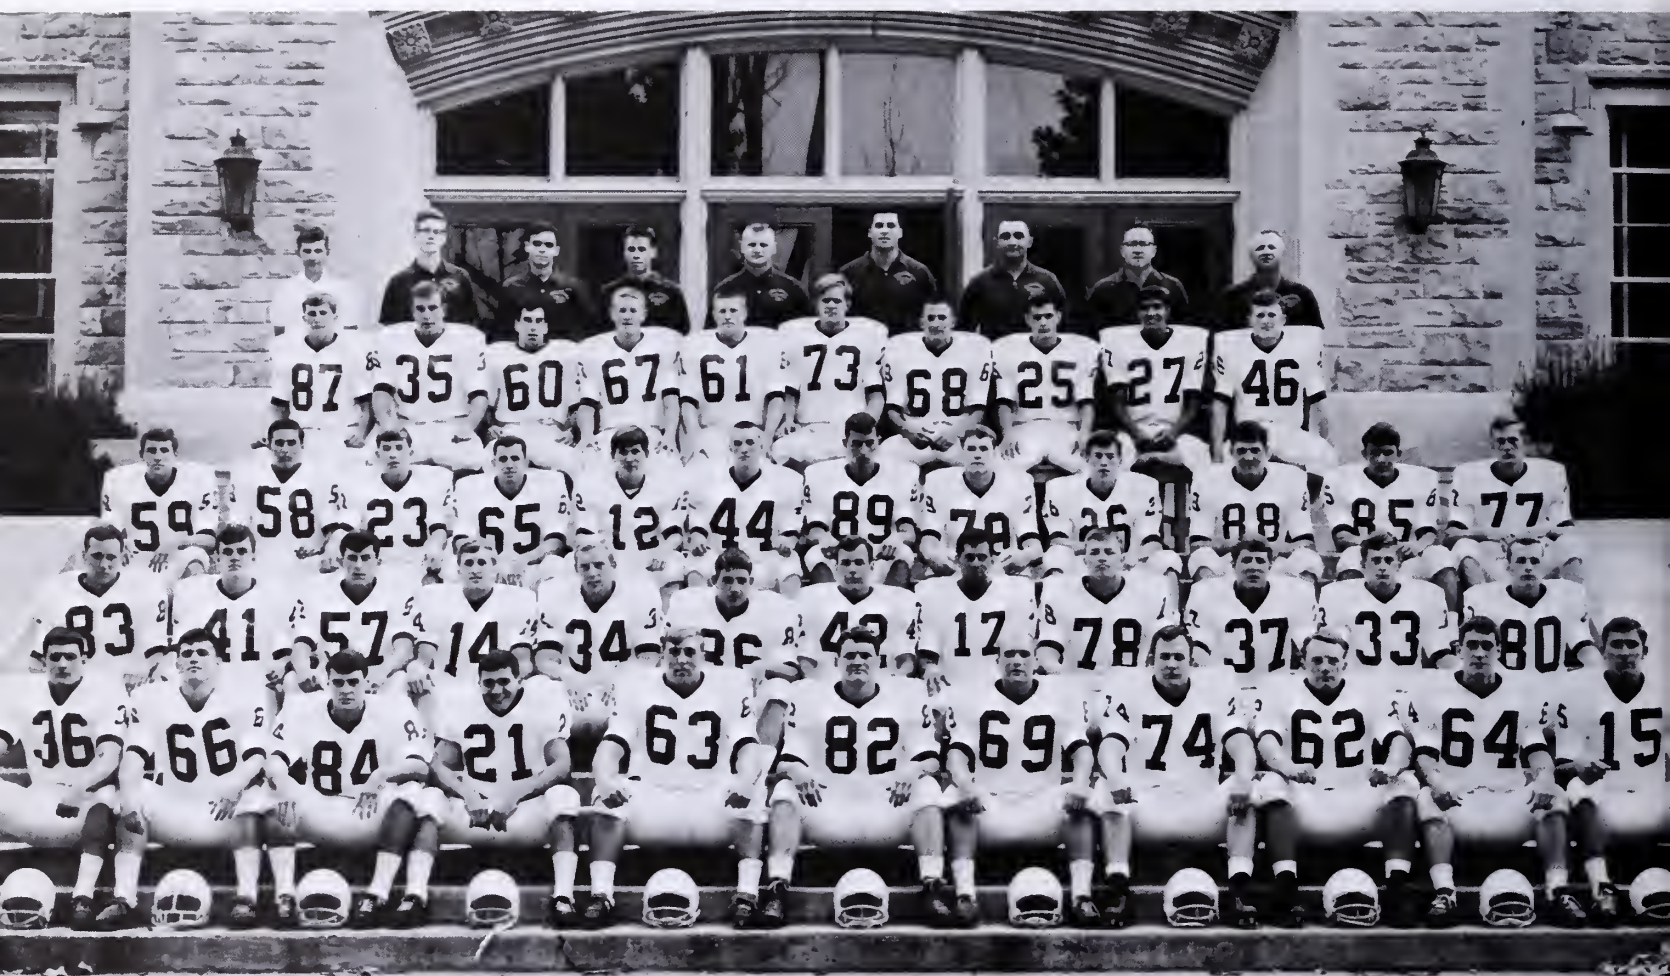

A 14-7 loss to Moravian capped the season.

The 1966 field hockey team again turned in a successful season. Finishing with a 7-1 slate, the girl's squad lost only their last game in which they played a surprisingly strong competitor from Elizabethtown.

Muhlenberg's defensive team allowed aggressive opponents to score only seven points. The defense tallied 39 points. Playing skillfully, the women had little trouble overpowering the opposition.

Since 1956, when women joined the Muhlenberg community the hockey teams have compiled a remarkable 42-2-3 record. The women this year contributed faithfully to the maintenance of the commendable record.

Endurance and speed best characterize the winning harrier. However, what appeared to be a good nucleus for the Muhlenberg 1967 sextet failed to exhibit these qualities in the four-to-five mile cross-country runs.

Meeting opponents from stronger schools with the usual lack of student participation and enthusiasm, the team turned in a disappointing 1-12 record.

Ralph Grimes proved to be Muhlenberg's most valuable runner, finishing first for the Mules in nearly every meet. The team also included Jim Richards, Bob Bair, Barry Bayon, Gary Menckel, and Dave Gotlob. Their combined efforts were, however, insufficient to cap a winning season.

## CROSS COUNTRY

## VARSITY BASKETBALL

Muhlenberg's 1966-1967 basketball season certainly had its share of ups and downs. Despite the playing of highly touted freshmen Ned Rahn and Mickey Miller, the team lived up to its billing by dropping three of the first four contests. Add to the poor start the fact that two-year veteran Tom Barlow was benched. The perennial know-it-alls began questioning the capabilities of Coach Ken Moyer.

Gradually the talents of the freshmen plus the experience of seniors Bill Dunkel and Carl Buchholz and a lot of practice began to mold the team. The results were displayed as the cagers took four of the next six games. Included in the streak was a hard-won victory over Albright.

Having dropped games to Drexel and to Lycoming, Muhlenberg (with no player over 6'1") sported their winning form with a revenge win over Moravian and a solid trouncing of Haverford 107-77. This score proved to be the best total point production for the Mules this season.

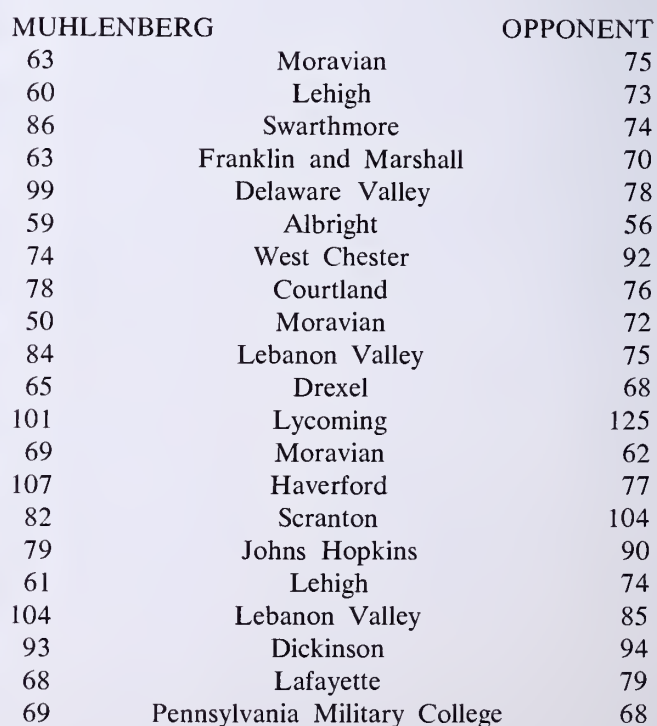

The team failed to maintain its edge and floundered through the remaining season winning two of the final eight games. One of these was the season's finale—a 69-68 win over P.M.C.

## WOMEN'S BASKETBALL

### 1966-1967 WOMEN'S BASKETBALL

Carol Bailey  
Margaret Jacunski  
Judith Jones  
Amalie Loy  
Marylu McCarthy  
Susan Mensch  
Marian Myers  
Mary Ann Wickenhiser  
COACH: Helene Hospodar

"I think the women did rather nicely this season," was the comment of Mrs. Helene Hospodar, the women's basketball coach.

Indeed the women compiled the best winter intercollegiate record at Muhlenberg with an 8-2 season. The highlight of the season came as Carol Bailey scored her 500th point in the game against Cabrini.

The women's defense, led by Marian Myers, Judy Jones, and Mary Ann Wickenhiser, limited opposition as Albright and Upsala to 20 points or less. The offense sported a game average of 46 points. The two defeats were at the palms of Millersville and Elizabethtown.

The athletic excellence exhibited by the girls team is indicative of the trend to perfection as seen in women's sports this year.

# WRESTLING

Inexperience was the trademark of Muhlenberg's 1967 version of the wrestling squad. Five of the men featured no high school or collegiate experience. The bright spot of the season was heavyweight John Piper. He later became the MCA heavyweight champion.

After being shut out in the first two matches, the Mules entered the winning column by defeating Swarthmore. In the last match, the Mules made their best showing by jumping to an early 8-5 lead. A quick reversal left the Mules behind for the remainder of the match.

This year's team was relatively young and inexperienced. For most, it was a year of trial and error. With this year of learning past hopes are high for the next season.

For the first time in several years the Muhlenberg baseball team transformed potential ability into winning scores. Ken Moyer's nine, led by five seniors and a sensational freshman, compiled a 7-7 overall score while garnering a 6-2 league mark. Solid pitching from left-handed Bob Mularz and sophomore Al McVay kept the Mules in almost every game. At the same time, hitting from Bill Dunkel, Tim Baird, and Rich Yeager accounted for a solid offense.

The real find of the 1967 season was Mark Hastie. The smooth swinging freshman hit .519 and drove in 12 runs. Among his 14 hits were four home runs, four doubles, and one triple.

Highlights of the season were a double header victory over Scranton, a come-from-behind win over Moravian, and a 14-2 trouncing of Wilkes. The key Muhlenberg loss was a 4-3 setback at the hands of Ursinus. This put a damper on Conference title hopes.

Trying to break a three year losing skein, the Muhlenberg stickers didn't find lady luck on their side as they failed in seven attempts. With spirits undaunted throughout the year, Coach Kuntzleman's charges fell short in their final attempt of the season, succumbing to Franklin and Marshall with a 6-3 score.

With the loss of the innovator of Lacross at Muhlenberg, next year's team will not only have to get together for a tough schedule, but they must also be prepared to work under a new mentor. With freshman talent and continued persistance, they are bound to receive some winning bounces.

## TRACK

The 1967 version of the Muhlenberg track team proved to be no surprise. Great depth due to an overwhelming spectator turnout was the key factor in the success of Coach Bill Flamish's squad. Their record was 0-9.

Led by Steve Anteau (56 points), Lee Berry, and Bob Christy, the Mules failed to accumulate one-third of the total points in the year's meets.

The only promising light in the picture was created by freshman star, Mickey Miller. Performing primarily in the high jump, Miller managed to accumulate 44½ points.

## 1967 GOLF

Richard Bartholomew  
Warren Broocker  
William Dinerman  
Donald Jones  
Philip Keidel

Edward Newcomb

Richard Stauffer  
Frederick Sunderlin  
Robert Touhsaent

COACHES: John Vasco, Lee Hill

Muhlenberg's Golf team, coached by Lee Hill and John Vasco, posted a 6-6 record—the best record since their 1958 season. The duffers edged strong competition week after week. Senior Dick Bartholomew and team captain Phil Keidel led the golfers as low-score men this season, but by keeping their eyes on the ball, the squad parred the season.

#### 1967 WOMEN'S TENNIS

Barbara Bondi  
Jean Kraynak  
Loretta Litz  
Jean Monson

Phyllis Perna  
Margaret Rogers  
Nancy Straky  
Susan Strimel  
COACH: Jean Hecht

## WOMEN'S TENNIS

The women's tennis team, plagued by cancellations, miserable weather, and rough competition, finished the season with a discouraging 0-3 record. With hopes of improving upon their 1966 record the team put forth considerable effort in each of the three 1967 matches. Nonetheless, despite the exceptional playing of Sue Strimel and Jean Monson, who together scored half of the team's total points, the women failed to tally more than two points in any match.

MUHLENBERG		OPPONENT
½	Millersville	4½
1	West Chester	4
2	Moravian	3
1	Dickinson	4
Cancelled	East Stroudsburg	
Cancelled	Elizabethtown	

MUHLENBERG		OPPONENT
3	Dickinson	6
8	Kutztown	1
1	Haverford	8
7	Pennsylvania Military College	2
2	Moravian	7
0	Franklin and Marshall	9
5	Wilkes	4
4	Albright	5
Cancelled	Scranton	
Cancelled	Lehigh	

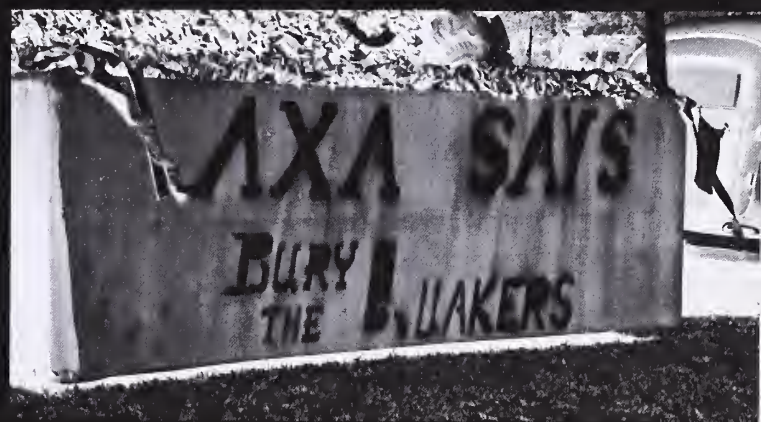

1967 TENNIS  
 John Behrend  
 Ray Garrison  
 Roderick Hafer  
 Richard Keck  
 Curtis Klinger  
 Bruce Reitz  
 Jeffrey Schmidt  
 William Spalding  
 COACH:  
 Dr. Kenneth Webb

As the leaky Lehigh Valley dumped its usual amount of spring rain to hamper practices and match conditions, the men's tennis squad posted a 3-5 seasonal record. The team, led by captain Ray Garrison, played in the usual admirable form.

While Curt Klinger, John Behrend, Jeff Schmidt and Dick Keck played strong games for the squad, the doubles team of Rick Hafer—Bill Spalding was a pleasant surprise. They turned in the best record among the Muhlenberg doubles combinations.

## MEN'S TENNIS

**FRATERNITIES**

Long a leader in all fields of campus endeavor, Alpha Tau Omega has not been content to rest upon past achievements, but has continued in the vanguard of Muhlenberg fraternities. The brotherhood has consistently responded to the need for leadership on campus, placing men in class office, the Dormitory and Student Councils, the Muhlenberg Weekly, and other positions of responsibility. Varsity and intramural sports have felt Alpha Tau Omega's mark, for no varsity team finds itself without an "Alph" and ATO fields intramural teams for which victory is traditional, though not always actual.

Social life at Alpha Tau Omega is consistent with the house's prestigious image; Muhlenberg's most sought after coeds frequently adorn ATO parties. The house is pervaded with an air of social consciousness and self esteem which contributes to make every occasion a memorable event for both the brotherhood and guests.

The most exclusive of all Muhlenberg fraternities, Alpha Tau Omega takes deserved pride in its Ivy League gentry which both presents and maintains the "ATO Image."

## LAMBDA CHI ALPHA

A successful rush program has insured Lambda Chi Alpha of a strong and diversified brotherhood. The fraternity has become increasingly aware of its responsibilities to the college and to the community as evidenced by many brothers' active participation in campus organizations, a yearly reception for orphans, fund raising drives for the Red Cross and the American Cancer Society, a welfare program at the local "Y", and, of course, a gala Homecoming for alumni and actives.

Although the brothers are placing a greater emphasis on their academic endeavors, their studies do not distract them from a social life second to none; their parties continued to remain the most spirited on campus (and off campus). Intramural teams retired trophies for many of the major sports contests.

In conjunction with the "new image" that Lambda Chi is presenting, the brothers plan extensive renovations for their present house during the summer months and look forward to a new chapter house in the coming years.

## PHI EPSILON PI

This year witnessed the continuation of Phi Epsilon Pi's excellence in scholastic achievement and dominance of campus leadership. Alpha Nu chapter again ranked first in cumulative fraternity average and was consequently recognized by the National Inter-Fraternity Conference for its outstanding academic standing.

Two class presidents, the newly-elected Student Council president and class representatives, the retiring and newly-elected Student Court chief justice and three member justices, president of the Pre-Medical Society, the newly-elected president

of Cardinal Key, the newly-appointed editor-in-chief of *Arcade*, and a cast of thousands for monthly Pre-Med meetings are the positions that appear on medical school applications submitted by the brothers.

To augment the prophesized expansion of the chapter house, the brothers built a Southern ranch-style fence around the west side of their modern edifice. The new addition, planned for completion, provides for expansion of living and dining facilities, construction of a basement, and housemother's quarters.

The brothers of Phi Kappa Tau continued to pervade campus organizations this past year, providing captains for the football and soccer teams, members of the Student Council, Court, and campus service fraternities. The fraternity can also boast their copping of the I.F.C. Homecoming Award. House athletic teams realized victories in cross country, football, and bowling.

Phi Tau's spirited social life was marked by its perennial mood parties, checkered table cloths, and profound discussions running far into the night. Such revelry, however, did not undermine the scholastic accomplishments of the brothers, who maintained their high academic average for the second consecutive year.

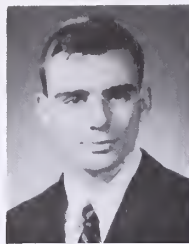

With a sizable pledge class protecting the sprawling brotherhood from the perils of the dreaded White Eagle, Phi Kappa Tau looks forward to maintaining its traditional existence.

# SIGMA PHI EPSILON

A brotherhood of diversity characterizes Sigma Phi Epsilon as they strive for high standards in all aspects of campus life. The chapter has won an award from their national for the past two years for having improved their scholastic standing most among neighboring chapters. Besides their scholastic ability, Sig Ep's have been elected to Student Council and class offices. An intramural championship in softball and achievements in wrestling round out the fraternity's athletic program.

Strong ties with the college community have evidenced themselves

in a reception for faculty at Christmas time, a collection for the Heart Fund, and participation in the I.F.C. sponsored Christmas party for underprivileged children. The brotherhood captured the first place trophy for the float they entered in the Homecoming parade, and their glee club enjoyed the honor of singing the finale at a concert given in Symphony Hall last spring.

While not having the biggest parties, Sigma Phi Epsilon is respected on campus as a "mellow" house which strikes a happy medium between festive occasions and hard work.

## TAU KAPPA EPSILON

The youngest of Muhlenberg's fraternities, Tau Kappa Epsilon is currently grappling with the growing pains that necessarily accompany maturation. The myriad demands created by maintaining internal stability and establishing a place among its competitors, all more than 25 years its senior, afford each brother the opportunity to realize his potentials as a leader and a sculptor of TKE's future. Characterized neither by the immutability of age, nor the arrogance often accompanying firmly planted roots, TKE's identity lies in dynamism rather than in complacency or self-assurance, in diversity rather than in stereotypy.

Discontent with merely maintaining status quo, the administration of Prytanis

Marc Banner inspected every facet of fraternity life at Zeta Eta chapter. Though often handicapped in their efforts, sometimes seemingly by fate, much of the foundation for a solid future was laid.

The reputation of TKE's parties supercedes that of its power or prestige, but as a young house there is time in which to accept the challenge of asserting itself on campus. Although the anticipations of those close to the house are sometimes frustrated, there remains an air of optimism and confidence surrounding TKE's future.

## INTER-FRATERNITY COUNCIL

In an enterprising attempt to resuscitate an organization editorialized as one "avalanching into oblivion," Marc Banner's Inter-Fraternity Council instituted a major constitutional revision, provoked a considerable amount of thought, and instigated two *Weekly* editorials. IFC cast aside the rotational appointment of officers in favor of an unprecedented election system. Inertia apparently propelled this year's three candidates through two weeks of campaigning, which culminated. Mr. Banner's successor inherits the issue of subservience to Student Council, the evaluation of housemothers, the possibility of rushing reforms, coordinating, and the task of purchasing a gavel.

## CLASS OF 1968

Once upon a time at Random College, there was an aggravated yearbook staff. They had huffed, and they had puffed. They had hustled, and they had bustled. They had waited for delivery with anticompatience. When the book arrived, they were conflummoxed!

A bromide or a bore just wouldn't wash any more with the discriminating student body at Random. So Wm. J. Keller Inc., having a special reputation to uphold in the yearbook field, was called in to cut the mustard.

The Keller-produced book had a look: "THE LOOK OF THE BOOK." The new annual had individual identity, character, and class. It was splendidulous compared to the wipe-outs produced for Random by the previous osteocephalic publishers.

Actually, Keller craves the opportunity to have a hand in producing the posher, more elegantly stylized books. We get a charge out of doing annuals with soul and substance. That's because from Norfolk to Minneapolis, Keller is known as the House of Contemporary Creativity.

The Wm. J. Keller firm brings together the grooviest contingent of highly trained craftsmen, beautilitarians, and hypo benders. Our preference is to use the finest papers and superlative inks. Production is by the Velvatone process, which Keller perfected especially for printing yearbooks.

A unique service plan is customized to individual schools, and the most conscientious gentlemen of the road in the business are available to aid our yearbook staffs, should problems arise. If needed, hocus-focus artists can be provided by Keller to tackle some available-light photographic assignments.

The end product of this potpourri of service and talent is a superior, polished yearbook. It is an annual in which the staff, the school, and, above all, the student body can take justifiable pride because of its CONTEMPORARY CREATIVITY.

Incidentally, Random College told Ad Hoc U. about Keller, and both staffs had smooth sailing ever after. The Keller knight in your area is Carl V. Peterson, phone 643-2647.
